TREASURE AND BAKE SALE AND LUNCHEON

Our fundraiser is coming very soon. We are still in need of items to sell. On Tuesday, May 15th at 9AM, we will need volunteers to carry all the goods stored in the garage to the Van Note Room and to start sorting the items and setting up the displays. If all goes well we will skip Wednesday and come back on Thursday at 9AM to finish pricing and organizing. On Friday at 9 AM, we still need help making salads and getting the kitchen ready for the luncheon. See Terry to sign up or just come when you can. Thanks for all your help.

THE DEACONS

The Deacons distributed 16 Easter dinner baskets to church and Head Start families for the holiday. Thank you for your generous support to the food pantry. The recipients are truly grateful.

Our annual Fellowship Dinner was held on Friday, the 13th. The theme was “Suspicion!” What else? The pot luck supper was delicious, the decorations were both lucky and unlucky. Greg Manka called a bingo game and the winners won lottery tickets. Anyone hit it? Everyone had a suspiciously good time and there is talk of doing more of these events.

BUILDING & GROUNDS

A huge **Thank You** goes out to everyone who responded to our “trees down” plea. Sue and Keith Barrow along with Bob Lewis started the cutting up and cleanup. Vito Salvanto came with a chain saw that cut through the trunks like butter. Ancil Terry and John Kirsch worked on cutting, bundling and hauling brush, both together and individually on several occasions. Ancil filled a pickup truck with brush and hauled it away. Our new member, Mike Coates, volunteered to repair the damage done to the shed. Collectively, there were too many man (and woman) hours to count. This is a testament to the dedication our members and friends have to our “Little Church With the Big Heart”. Terry Lewis

CHURCH PICNIC

Our annual Sunday School and Church Picnic is usually held on the 2nd Sunday of June, but we are rescheduling this year to the first Sunday, June 3rd. There will be a sign up sheet to bring side dishes and dessert. Sunday School will provide the hamburgers, hot dogs and beverages. Children's games will be held in the field and the picnic will be in the garden.
